SUBJECT LINE

A ROOFER YOUR DOUGLAS COUNTY DEALS CAN ACTUALLY COUNT ON

THE ANGLE

Introduce a licensed, fast-moving roofer who protects your closings.

WHAT IT TEACHES

- ✓ Oregon CCB #255729 - licensed, bonded, insured, and verifiable in 30 seconds.
- ✓ Estimates back fast, on your escrow timeline - not 'sometime next month.'
- ✓ Emergency tarping and repairs so a bad roof never kills a deal.

THE ASK

Save our number: (541) 670-5005

SUBJECT LINE

PRICE THE ROOF BEFORE THE BUYER'S INSPECTOR DOES

THE ANGLE

A pre-listing roof report removes the biggest surprise from the inspection.

WHAT IT TEACHES

- ✓ We flag what a buyer's inspector will flag - before it becomes a renegotiation.
- ✓ A free pre-listing roof condition report you can hand straight to sellers.
- ✓ Price with confidence instead of losing leverage on day 10 of escrow.

REPAIR CREDIT VS. PRICE CUT: THE ROOF MATH THAT SAVES DEALS

THE ANGLE

A real repair number beats a scary round-number price drop every time.

WHAT IT TEACHES

- ✓ A documented \$4-6k repair quote can replace a \$15k 'just knock it off' demand.
- ✓ Same-week quotes so negotiations don't stall out.
- ✓ Keep buyer and seller talking numbers instead of walking away.

THAT GREEN ROOF IS COSTING YOUR SELLER MONEY

THE ANGLE

Moss reads as neglect and quietly lowers offers - and it's a cheap fix.

WHAT IT TEACHES

- ✓ Buyers subtract for moss and streaks long before the inspection.
- ✓ Safe soft-wash treatment - never pressure washing that voids the shingle warranty.
- ✓ Quick turnaround so the roof is clean before listing photos.

SUBJECT LINE

"HOW OLD IS THAT ROOF?" - WHAT UNDERWRITERS WANT TO SEE

THE ANGLE

Roof age and condition can make or break financing and insurance.

WHAT IT TEACHES

- ✓ Insurers and lenders increasingly want roof age and remaining life documented.
- ✓ We provide roof certification letters that satisfy underwriting.
- ✓ Clean documentation that clears financing conditions fast.

THE ASK

SUBJECT LINE

YOUR POCKET ROOFER FOR PENDING SALES (TARPS INCLUDED)

THE ANGLE

When a storm hits during escrow, response time saves the closing.

WHAT IT TEACHES

- ✓ A priority line for homes already under contract.
- ✓ Emergency tarping for storm damage - same day whenever we can.
- ✓ Fast, documented repairs that protect the closing date.

THE ASK

SUBJECT LINE

THE 5 ROOF RED FLAGS YOU CAN SPOT AT ANY SHOWING

THE ANGLE

Read a roof from the driveway and know exactly when to call.

WHAT IT TEACHES

- ✓ Granules in gutters, curling edges, moss, sagging lines, ceiling stains.
- ✓ What each one signals - cosmetic versus costly.
- ✓ Text us a photo and we'll give you a quick read, free.

THE ASK

Text a roof photo to (541) 670-5005

SUBJECT LINE

METAL VS. ASPHALT: WHAT TO TELL BUYERS IN THE UMPQUA VALLEY

THE ANGLE

A confident answer on roofing builds instant buyer trust.

WHAT IT TEACHES

- ✓ Lifespan, cost, and resale differences in plain English.
- ✓ How each handles our rain, moss, and wildfire risk.
- ✓ Share-ready guides you can forward to curious clients.

THE ASK

SUBJECT LINE

WILDFIRE SEASON AND THE ROOF QUESTIONS BUYERS NOW ASK

THE ANGLE

Oregon buyers ask about fire risk - be the agent with the answers.

WHAT IT TEACHES

- ✓ Class A roofing and ember-resistant details that actually matter here.
- ✓ How roofing ties into insurability and defensible space.
- ✓ A quick consult we'll do for your listing or your buyer.

THE ASK

Book a wildfire-resistant roofing consult

SUBJECT LINE

HOW TO READ A ROOF INSPECTION REPORT WITHOUT PANICKING

THE ANGLE

Most 'roof issues' are negotiable, not deal-enders.

WHAT IT TEACHES

- ✓ Cosmetic versus structural - and the rough cost of each.
- ✓ Where the real negotiating leverage hides in the report.
- ✓ Send it over and we'll translate it for you, same day.

THE ASK

We'll translate a report for you

SUBJECT LINE

ADD \$10K OF CURB-APPEAL VALUE FROM THE ROOFLINE DOWN

THE ANGLE

The roofline is the fastest curb-appeal win most agents skip.

WHAT IT TEACHES

- ✓ Roof cleaning, gutters, fascia, and shingle color that photograph beautifully.
- ✓ A simple pre-listing punch list your sellers can actually afford.
- ✓ Small spend, measurable bump in first impressions and offers.

THE ASK

SUBJECT LINE

FINANCING A NEW ROOF SO THE DEAL STILL CLOSES

THE ANGLE

When the roof needs replacing mid-deal, options keep it alive.

WHAT IT TEACHES

- ✓ Repair credits, escrow holdbacks, and timing that works for closing.
- ✓ Homeowner financing and our monthly maintenance membership.
- ✓ A one-page options sheet you can hand to either side.

THE ASK

SUBJECT LINE

WINTER LISTINGS: THE ROOF PROBLEMS THAT SHOW UP NOV-FEB

THE ANGLE

Cold, wet months surface the leaks that summer hides.

WHAT IT TEACHES

- ✓ Ice and water intrusion, gutter overflow, and attic condensation.
- ✓ What to check before a winter listing goes live.
- ✓ A fast winter-ready roof check for your inventory.

THE ASK

LET'S MAKE IT OFFICIAL: A REFERRAL PARTNERSHIP

THE ANGLE

Let's turn a good roofer into your roofer.

WHAT IT TEACHES

- ✓ Priority service and honest reads for every client you send us.
- ✓ Co-branded pre-listing roof reports with your name on them.
- ✓ A real thank-you for every referral that closes.

THE ASK
